

Our Values PASSIONATE, PERSONAL and PROFESSIONAL

Name: VACANCY – NEW ROLE
Job Title: Marketing Manager
Team: Commercial/Marketing

Purpose of Role and Primary Objectives

- To work with stakeholders in allocated sector and area teams to develop, manage and execute marketing campaigns and projects that align to the firm's Marketing & Business Development Strategy
- Working in collaboration with other members of the Marketing Team to provide support in achieving the firm's marketing objectives:
 - Winning new clients
 - Enhancing existing client relationships
 - Building brand awareness and consideration
- To proactively support the development, communication and embedding of key marketing and business development processes (e.g. Plan>Brief>Execute>Review>Improve)

Reporting Relationships

- Reporting to the Commercial Director and working alongside the Creative and Digital Marketing Manager and Marketing Executive (total team of 4)

Key Responsibilities – role specific

The primary responsibilities for the role are set out below. However, as part of a small and evolving team, these are subject to change.

- **Marketing Campaign Management**
 - To lead the development, mapping and documentation of marketing campaign and data management processes, ensuring we are able to communicate with clients, targets and contacts in a compliant, efficient and measurable manner.
 - Utilise Marketing Automation (CommuniGator) and CRM System (Workbooks) to develop, implement and measure integrated, Multi-Channel Marketing Campaigns (e.g. Events, Direct Mail, Email, Social Media, Advertising and PR) targeted at clients, prospects and key introducers.
 - Ownership of the integrated marketing plan for allocated area, service line or sector teams (i.e. Manufacturing, Agriculture, Chelmsford)
- **Content, Editorial & Publications**
 - Works with marketing team colleagues and sector/service leaders across the firm to develop, own and maintain the Key Messages Calendar, ensuring that we understand the specific challenges our clients are facing at relevant points of the year.
 - Uses the Key Messages Calendar to generate and implement ideas for content marketing assets from across the marketing team, ensuring the resulting message to market is timely, relevant and built on compelling propositions that speak to the needs of our target client type[s].
 - Develop, plan and implement the new Client Newsletter, ensuring the correct editorial balance and tone is used to 'deliver the firm to the client', whilst also raising topical issues in line with the Key Messages Calendar

- Manage third party media relationships (Essex Chronicle, Business Time in Essex and others as they arise) to ensure copy deadlines are met and that content provided is in line with the firm's Key Messages Calendar.
- **Digital Marketing**
 - Maintains and updates content on website and Social Media channels for allocated campaigns, service lines or sectors, ensuring all activity is in line with best practice and processes owned by the Creative & Digital Marketing Manager
 - Assists with maintaining and developing content/structure for the RL Intranet (WordPress)
- **Client and Employee Experience**
 - Owns and manages the firm's Client and Employee surveys (NPS methodology) and associated internal and external communications plan. (Currently undertaken using Survey Monkey.)
 - Analyses survey results to ensure key insights are highlighted and acted upon to ensure a continuous improvement approach is maintained
 - Works with the Commercial Director and Management Committee to plan, co-ordinate and execute relevant internal staff engagement events (e.g. Annual Business Plan meeting and 3x Business Update sessions throughout the year).
- **Business Development**
 - Work with the Directors of the firm and the Creative & Digital Marketing Manager to develop, embed and own a new work proposal process that ensures a consistently high standard of proposal is produced (content AND visual presentation)
 - Develop and own the Win/Loss analysis process, including the incorporation of client feedback via survey methodology as part of the process
 - Client Development Forums – owns the pilot implementation, reporting of results and ongoing future roll-out.

Key Responsibilities – team-wide

- To consistently demonstrate the behaviours which support our Values of Passionate, Personal and Professional – as documented in the Marketing Team Charter.
- Support Commercial Director in creating and implementing a system for capturing and reporting monthly data on new work opportunities and pipeline management (Suspects, Targets, Qualified Prospects etc.)
- To ensure all projects and campaigns (including events) are undertaken following the Brief, Execute, Review and Improve process.
- Represent the wider Marketing team as a dedicated point of contact for allocated sector, service and area teams – acting effectively as an 'Account Manager' for the wider capability of the marketing team.
- Budget / financial management – ensuring all costs are agreed in line with budget, with respective invoices processed and recorded in line with our team procedures.
- Unspecified projects and duties which may be allocated from time to time, which will be reflected in these objectives when reviewing on a regular basis throughout the year.

Knowledge and Skills Required

- Positive, confident and 'can-do, have done' attitude (i.e. brings potential solutions as well as problems to the attention of colleagues and senior management)
- Mobile - able/willing to travel to all Rickard Luckin offices or to offsite venues for events and meetings
- 5+ years of B2B services marketing experience (with experience in professional services or accountancy especially valuable)
- First Degree in Business Studies or Marketing *and/or* Level 6 CIM Diploma in Professional Marketing Qualification (or working towards) highly desirable
- Comfortable working in an environment with a degree of ambiguity and change, whilst bringing prior experience to help define departmental processes.
- Excellent communication and interpersonal skills (written and verbal)

- Proven ability to build effective, collaborative working relationships with senior stakeholders
- Detailed working knowledge of Microsoft Office (Word, Excel and PowerPoint)
- First-hand experience of working with Email marketing applications, Marketing Automation and CRM systems (Mailchimp, Communigator and Workbooks especially relevant)
- Experience using Content Management Systems (e.g. Wordpress) to update online content
- Prior experience of using survey software (e.g. Survey Monkey) to create, send and analyse results of various survey types (both internally and externally)

Our Values and behaviours

Key Skills and Attributes

All Team Members are expected to demonstrate a consistent and comprehensive application of the following behaviours, in line with our values of Passionate, Personal and Professional:

Personal Effectiveness - Working in an organised, effective and influential manner in order to achieve the required results within acceptable timescales

Commercial Awareness - Focussing on current and likely benefits to the business in all aspects of work, achieving outcomes in a cost effective manner

Client Focus - Ensuring that every effort is made to consistently provide a standard of service to meet and where possible exceed the expectations of both internal and external customers

Change and Innovation - Seeking and persuading others about opportunities for change and reacting to change suggested by others in a helpful and supportive manner

Teamwork - Working together effectively with others to achieve more than could feasibly be achieved individually

Managing and Developing Others - Providing management and support for employees from recruitment onwards so that each and every person is motivated to contribute to their full potential and is meeting or working towards the required standards of performance

Communication - Making the effort to communicate with others in an appropriate, thoughtful and timely manner

Professional and Technical - Possessing and putting to good use all the technical and specialist skills required to carry out the role effectively
